**BAIYUN**  
Brake Expert

# BAIYUN MAIN PRODUCT

[www.sinobrake.com](http://www.sinobrake.com)

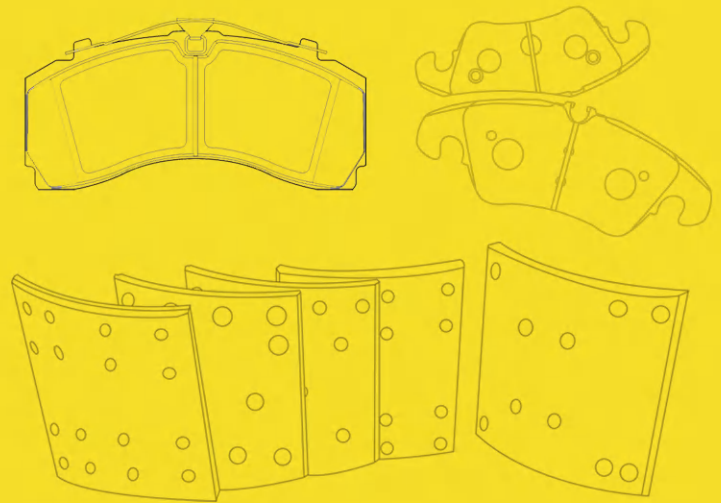

## WHY DO BAIYUN EXIST?

Since 1977

We are in the friction field for more than 40 years producing brake pads and linings for Commercial Vehicles. We have personally seen people starting their own business from zero turning it into a strong and successful company. We are glad and

proud to give them help and support on their way to success. We grew up in a period where things were made in a different way and honesty and good quality were the most important issues. A period where the relation between customer and supplier was really reliable and there was not the tendency to take advantage of each other.

For this reason, in today's chaotic we insist on good quality and honesty above all else. We are extremely honest and BAIYUN's clients of 40 years ago are customers we still have today. We count on you !

## OUR MISSION

Since 1977

We put as priority our customers' necessities living up with their expectations.

To provide our customers with good quality products professional technical support and perfect aftersales. And we want to be sure that our activity can be satisfy them.

We advocate environmentally friendly production and continuous innovation. We want to be the example and leader in the brakes industry. Make efforts for the continuous progress of society.

# PERFORMANCE AND SAFETY ASSURED

[www.sinobrake.com](http://www.sinobrake.com)

## OUR VISION

- To be recognized for the quality of our products and our efforts to make our customers successful.
- To be considered for our productive excellence.
- To be chosen for our professional support.

## QUALITY IS IN DETAILS

### ▶ BAIYUN friction materials

has the most advanced technology for brake products, friction design and manufacturing.

### ▶ BBAIYUN brake lining

has superb stopping power with reliability can meet fleet operators requirement.

### ▶ BBAIYUN brake lining

has high temperature resistance and excellent wear-resisting characteristics.

### ▶ BAIYUN brake lining

Over 120 different brake friction formulations in BAIYUN's portfolio specifically for the vehicle's requirements to deliver optimum performance comfort and longevity.

### ▶ BAIYUN brake lining

meet ECE R90 & FMVSS 121 standards.

### ▶ BAIYUN brake lining

Colorbox can be customized by your requirement.
